1. Licence Terms

(A) Private Use ("Standard" and "Personal" Version)

The terms of this Section 1.(A) are applicable if you got the Product without registration ("Standard" Version) or have registered for private use ("Personal" Version). Subject to the terms of this agreement, I grant to you a non-exclusive, non-transferable license to use the Product solely for private use only. The Product is not allowed to be used with any production system or with any other system, than your own.

If you got the Product without registration, it may be technically restricted in some functionality and / or may open a nag screen. The product you got by registration will have no technical limitation nor open a nag screen. All rights that are not granted to you herein are retained by me.

(B) Commercial / Government / Other Organisation Use ("Enterprise" Version)

The terms of this Section 1.(B) are applicable to you if you have registered as a Commercial Use, Government Use or other Organisation Use Customer for "Enterprise" Version. They are also applicable in any other use case that is not covered by Section 1.(A). Subject to the terms of this Agreement, I grant to you a non-exclusive, non-transferable license to use the Product with all client and server systems of your company or organisation.

All rights that are not granted to you herein are retained by me.

(C) RESTRICTIONS ON USE

You may not lease, rent, resell or sublicense the Software to any third party, or otherwise use it, except as permitted in this Agreement.

You may not disassemble, decompile, reverse engineer or otherwise attempt to determine source code from the Product.

You may not distribute the product binary, except you explicitly received it with a distribution license.

(D) OWNERSHIPS OF RIGHTS

The Product Title, ownership rights and all intellectual property rights in and to the Product shall remain the sole and exclusive property of me.

2. LICENCE FEES

(A) Payment and Taxes.

You agree that any fee paid for using the Product will be total non-refundable and non-cancellable. You will pay all sales, use, VAT and other consumption taxes, personal property taxes and other customer related taxes (other than those based on my income) unless you furnish me with written proof of exemption.

(B) FOREIGN TAXES

If you download and/or use the Software outside of Germany, you agree that the amounts to be remitted to me are to be the actual amounts due without withholding taxes or other assessments by authorities anywhere in the foreign location, which withholding taxes or assessments you agree to pay. You will promptly furnish me with certificates evidencing payment of such amounts.

3. LIMITATION OF LIABILITY

(A) Freeware ("Standard" / "Personal" Version)

Private Use licensed Software is provided gratuitously and, therefore, I and my suppliers shall not be liable for any direct, indirect, incidental, special, punitive or consequential damages.

(B) LIABILITY ("Enterprise" Version)

If you have registered for Commercial or Government Production Use, my aggregate liability to you for any damages caused by using the Product shall not exceed your license fees received by me for the Product.

In no case shall I be liable for any indirect, incidental, special, punitive or consequential damages, lost data or lost profits.

This product is not designed for use in context with system security or any other software security or security software. This licence does not allow such usage!

(C) APPLICABILITY

Some States do not permit disclaimers of certain warranties or limitations on certain types of liability under certain circumstances; consequently, some of the foregoing disclaimers and limitations may not be applicable to you, in whole or in part.

If this is the case, you have to cancel registration and are not allowed to use the product.
